

Microsoft Dynamics NAV 2013 R2 Feature Comparison Tool

Microsoft Dynamics NAV Enhancements

Times change. Technologies change. Business needs change. And organizations like yours need to change to keep up and stay competitive.

Take a look at some examples of how we have enhanced Microsoft Dynamics NAV over the years to make it simpler, smarter, and more innovative than ever before. So you can outpace the competition and serve your customers and business partners better.

The capabilities displayed in this tool are based on core product functionality developed by Microsoft Dynamics. Customers may have some functional variation driven by country or regional localizations and additional capabilities implemented in Microsoft Dynamics NAV by their partner.
